

## He's In The Storm - Life Group Questions

1. Share a time when you can remember being stuck in some kind of a "storm" (a time of emotional/relational/spiritual struggle).
2. What do you believe are some of the reasons why we are always so focused on getting to the other side of the storm? Do you think we simply don't like suffering? Is it more of a dislike of not feeling in control? What other reasons are there?
3. Read Mark 6:47-50. What are your thoughts when you read that Jesus saw them straining at the oars (perhaps for awhile) before going out to them? Do you believe that there was a purpose in Jesus' delay? (Jesus also delayed His visit to see Lazarus when he was sick...why?)
4. Pastor Dan asked each of us to finish this sentence/fill in the blank. Right now, I feel stuck in \_\_\_\_\_. How would you finish that sentence?
5. Have you made time to really listen for the voice of Jesus in the midst of your storm? If so, what do you believe He is speaking to you? If not, what is keeping you from taking time to listen?
6. If we want to walk on water we're going to have to give up our boat. What is the boat that you think the Lord may be asking you to climb out of?
7. Are you planning on taking the 45 Day Challenge of finding your "Be Still" space to spend time with the Lord? Where will that space be for you?

Take some time to pray for one another; specifically over the answer given to #4 as well as the answer to #5.
