

## **A New Thing In An Old Valley - Life Group Questions**

1. Have you found yourself asking the question, "What in the world is God doing?" Now that we're a few months into the quarantine, what do you think God is wanting to do in the world? The Church?
2. Read Ezekiel 37:4. How ready are you to hear the word of the Lord? How open are you to the Lord wanting to do a new thing in and through your life?
3. Pastor Dan made the statement that there are dry bones all around us. Dry bones in our neighborhoods. Dry bones in our church. Dry bones in our own hearts. Where are you seeing dry bones? Are you praying and speaking life into those areas? Why or why not?
4. Most of us, maybe all of us, would agree with the idea that our resurrection is not for us alone. What we receive from our Heavenly Father is not meant to stop with us. He gives life and blessing so that we can impart life and be a blessing. What are some ways that you can keep stepping out in this area?
5. Sometimes we can be far too slow to bring our own dry bones to the Lord and pray for His Spirit to bring life into them. Why do you think we can be so hesitant in this area?
6. Pastor Dan said that he has been praying for the Lord to raise up healers. People who are intentionally praying for their communities and looking for ways to share with others the grace and life they have been gifted. Do you want to be one of those healers? Have you committed to pray for the Holy Spirit to breathe life into your dry bones, our dry bones, and the dry bones of our neighborhoods?

Encourage your group to sign up for the 40 days of prayer (Revive) if they haven't already. Take some time to pray for each other. Pray that the Holy Spirit would breathe His life into our own dry bones first and then into the dry bones of our front yard mission.
