

Offering A Hand - Life Group Questions

1. Pastor Dan shared the equation: Holy Spirit + Desperate Dependency x By Hopeful Expectancy = Travailing Prayer. Is there one of these three components that particularly grabs your heart? Is there a specific one that feels lacking in your life?
2. Pastor Dan asked the question, "Do I believe that God is a blessing God?" Now, it would be very easy to simply answer "yes." Why do you believe it? How do you maintain your belief when disappointments come?
3. From your perspective what would it look like for someone to chase God?
4. By that understanding, are you chasing God?

FYM Discussion Questions:

1. Do you have a revival vision for your FYM? If yes, what does it look like? If not, how might you get one?
2. What do you think it might mean for your FYM for you to be living under the gracious hand of God?
3. What is the one thing that you can do this week that will move you forward in your FYM (pray for God's gracious hand, invite a neighbor to chat in your backyard, pray for a vision of revival for your FYM, etc).

Take some time to pray for each other in the area of revival, living under God's gracious hand, and for each other's Front Yard Missions.
