

Still Small Voice - Life Group Questions

1. Where is the main place or point in your life where you would say that you most need a miracle?
2. Pastor Dan noted that we often find the presence of God in stillness. Has this been your experience? How well have you built stillness into your day? What has been your biggest hurdle to stillness?
3. How would you gauge your level of connection with one another? What are some strengths of the relationships in your group? Where would you like to see more growth? (positions of vulnerability, brokenness, surrender, deeper friendships, etc)
4. Here is a quote from Dietrich Bonhoeffer about Christian community: "We are members of a body, not only when we choose to be, but in our whole existence. Every member serves the whole body, either to its health or to its destruction. This is no mere theory; it is a spiritual reality." How can you intentionally invest in the health of this group? What about in the health of the church?
