

## Still Room - Life Group Questions

1. Stacy mentioned that the likely reality is that God is using the uncertainty and change of this season to lead His church to where He wants them to be. How do you see that happening in your own life? What about for the church?
2. The idea of hospitality is not one that is completely foreign to us but it isn't something that we're intentionally trying to practice. Do you believe that something as straightforward as hospitality may be a major component to seeing the 2030 vision become a reality? Why or why not?
3. Read Luke 14:21-24. The servant came back to the master and told him that they had done as asked but there was still room for more. Not long ago Pastor Dan taught about the rich young ruler who didn't have room for Jesus. Do you think that we can have room for Jesus without having room for our neighbors? Why?
4. Take a couple of minutes to pray quietly as a group. Ask the Lord to lay on your heart those He wants you to pursue. Will you commit to pursue them? Will you commit to pray for them, look for opportunities to love them, and invite them (hospitality) into your home and life?
