

The Five Rebuilding Practices

1. During Pastor Bill's time of sharing he quoted A.W. Tozer regarding distractions being the greatest enemy of devotion. How have you found this to be true in your own life? What is a particular distraction that you struggle with?
2. Pastor Jorn talked about seeing the potential among the dirty and burnt stones (rubble) around you. How well are you able to see the potential amidst the rubble in your own life? What about in the rubble around you (family, friends, neighbors, coworkers, etc)?
3. Read James 2:17. What are your thoughts on the 10,000 Acts Of Blessing? Are you going to engage? How might you be a blessing?
4. Pastor Sean stated that we never look more like Jesus than when we're serving Jesus. How well are you doing to maintain space in your life to serve others? How can we be intentional to keep space open to serve?
5. Pastor Stacy shared about the importance of thanksgiving and praise. Where do you see God at work in and/or around your life? How well do you do at standing and cheering the work of God in and around your life?

Front Yard Mission:

1. In what ways have you found distractions to be a hurdle in being intentional toward engaging in your Front Yard Mission?
2. What are some of the ways that you can take part in the 10,000 Acts Of Blessing in your Front Yard Mission? Take some time to brainstorm some acts of blessing that you can do individually or as a group over the next 52 days.
