

God's Wake Up Call - Life Group Questions

1. What would you categorize as the biggest hurdle for you when it comes to reading your bible (time, intimidation, lack of desire, don't understand it, etc)? What can you do to remove that hurdle? (don't worry about having all answers but discuss it with each other)
2. Who (or what) would you say gets the majority of your ears (attention)? How might you be able to create more space for God's word?
3. What would you say is your primary reason for reading your bible (to learn, you know you should, to hear from God, to grow relationally, etc)? Would you characterize your reason as a positive or negative reason?
4. Pastor Dan mentioned that for most of us one of the primary reasons why we don't read our bibles is because we haven't picked a time and a place. Have you picked a time and a place? Why or why not?
5. Will you be joining in on the 40 day reading plan through the New Testament? Why or why not?
