

## A 1 Degree Decision - Life Group Questions

1. Pastor Dan talked about the difference that 1 degree makes between hot water and boiling water. He asked how many times we may have stopped one degree short of a pure heart, one degree short of full forgiveness, one degree short of a new move of God? What might be the 1 degree turn or change that God is leading you to take?
2. What are some of the reasons why we (individually or corporately) might choose to settle for less than God has for us?
3. A.W. Tozer said that what comes into our minds when we think about God is the most important thing about us. It will shape every other aspect of how we live our lives. If you picture God looking directly at you...what are some of the thoughts that you picture going through His mind about you? (Don't just give the "right" answer...what do you truly believe He thinks about you?)
4. Take some time to pray with one another; specifically regarding what was shared to the question of #3.
