

## **A Breakthrough Word - Life Group Questions**

1. Dan mentioned that we are often looking/hoping for something more. What is one of the “something mores” that you’re looking for or asking God for?
2. Prayer and the Word are equally important in the lives of Christians; like breathing in and breathing out. Has one of these been a more natural way for you to connect with God than the other? Why do you think that is?
3. How would you answer someone who asked you what it means to listen to Jesus? How well would you say you’re doing at listening to Jesus?
4. Pastor Dan said that to listen is to linger longer. Would you say that a desire to simply be with Jesus is present in your life? How might we grow in that desire?
5. How can we know if we value God’s word?

Pastor Dan closed with the idea that we should seek to be a people whose ears are always seeking the voice of God. Take a few minutes at the end of your group to pray for each other that you would each be people who have ears open and seeking God’s voice.
